

Hazardous Materials and Oil Emergency Function (EF-10)

Multi-Agency Workshop

Tuesday, October 30, 2012

8:00am – 4:30pm

California Emergency Management Agency

Goal: Improve state agency emergency preparedness, response, and recovery coordination under the Hazardous Materials and Oil Emergency Function (EF-10) Annex to the State Emergency Plan.

Objective 1: Introduce the EF-10 Annex and review with stakeholders

Objective 2: Review and refine the components of a common operational picture of EF-10 with primary and supporting agencies

Objective 3: Discuss how EF-10 would coordinate management priorities and effectively communicate across agencies
