

Hazardous Materials Investigations

DATE: June 21-25, 2010

LOCATION: CSTI, San Luis Obispo

This course is designed for those charged with the responsibility to investigate hazardous materials and related incidents, document their findings, and follow through on the results of their investigations.

Participants learn the techniques involved in thoroughly investigating hazardous materials incidents; identifying, gathering and evaluating associated evidence; documenting the investigative progress; determining if any criminal and/or civil violations have occurred; and arranging for the proper disposition of the investigator's final work product.

POST APPROVED: POST Plan N/A

COURSE CONTROL NUMBER: 9560-31140-0900

Twenty-four full scholarships are available to Peace Officers, Public Health Officers, Environmental Health Officers/Specialists, Hazardous Materials Specialists of a Public Health or Environmental Health Agency or Fire Department, and employees of a water or air pollution control agency whose duties are related to enforcement of environmental laws and regulations who are employed by the State of California, the Counties and Municipal Subdivisions of the State of California. For scholarship information contact John Pedersen, Executive Director, Cal Hazardous Material Investigators Association (408) 858-0254 or e-mail: pedersj@earthlink.net.

Apply immediately using the form below. An information packet and map will be sent 4-8 weeks prior to the course. For registration questions call John Pedersen at (408) 858-0254, pedersj@earthlink.net or for course content, contact the Course Manager Jacob Volkov at (805) 549-3203, Jacob_Volkov@oes.ca.gov.
