## **COMMUNITY MEETING FOR PUBLIC COMMENT ON INVESTIGATION OF BIRTH DEFECTS AND COMMUNITY EXPOSURES IN KETTLEMAN CITY, CA**

**December 2, 2010, 6-8 p.m.  
Kettleman City Elementary School  
701 General Petroleum Avenue  
Kettleman City, CA 93239**

On November 22, 2010, the California Department of Public Health (CDPH) and the California Environmental Protection Agency (Cal/EPA) released a draft report on their investigation of birth defects and environmental exposures in Kettleman City. This meeting is an opportunity for the community to comment on the report.

- I. Introduction
- II. Presentation on the draft report
  - Dr. Kevin Reilly, Chief Deputy Director, CDPH
  - Dr. Joan E. Denton, Director, California Office of Environmental Health Hazard Assessment (OEHHA)
- III. Public Comments and Questions
- IV. Closing Remarks

Translation services for both Spanish and English will be available.

We ask speakers to limit their comments to five minutes to allow everyone time to speak.

The draft report is being distributed throughout the Kettleman City community, including copies in both Spanish and English available at the local post office, library, community center, and elementary school. The report is also posted at [www.calepa.ca.gov/EnvJustice/News/](http://www.calepa.ca.gov/EnvJustice/News/) and at [www.cdph.ca.gov](http://www.cdph.ca.gov).

Written comments will be accepted until December 21, 2010. Send comments to Dr. David Siegel of OEHHA at P.O. Box 4010, Sacramento, CA 95812. Para asistencia en español, comuníquese con: Ricardo Martínez al (916) 324-7316 o por correo electrónico a [rmartinez@calepa.ca.gov](mailto:rmartinez@calepa.ca.gov).
